

Credibility caterpillars

This activity involves visiting some web sites. For each web site that you visit, answer the questions in the caterpillars. When you have completed all the questions in each caterpillar, colour the caterpillar's head red, orange or green, depending on whether you think you should Stop, Think or Go!

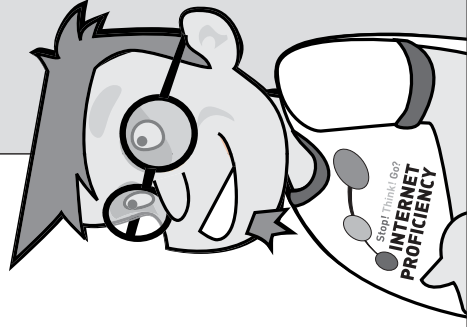

Who?

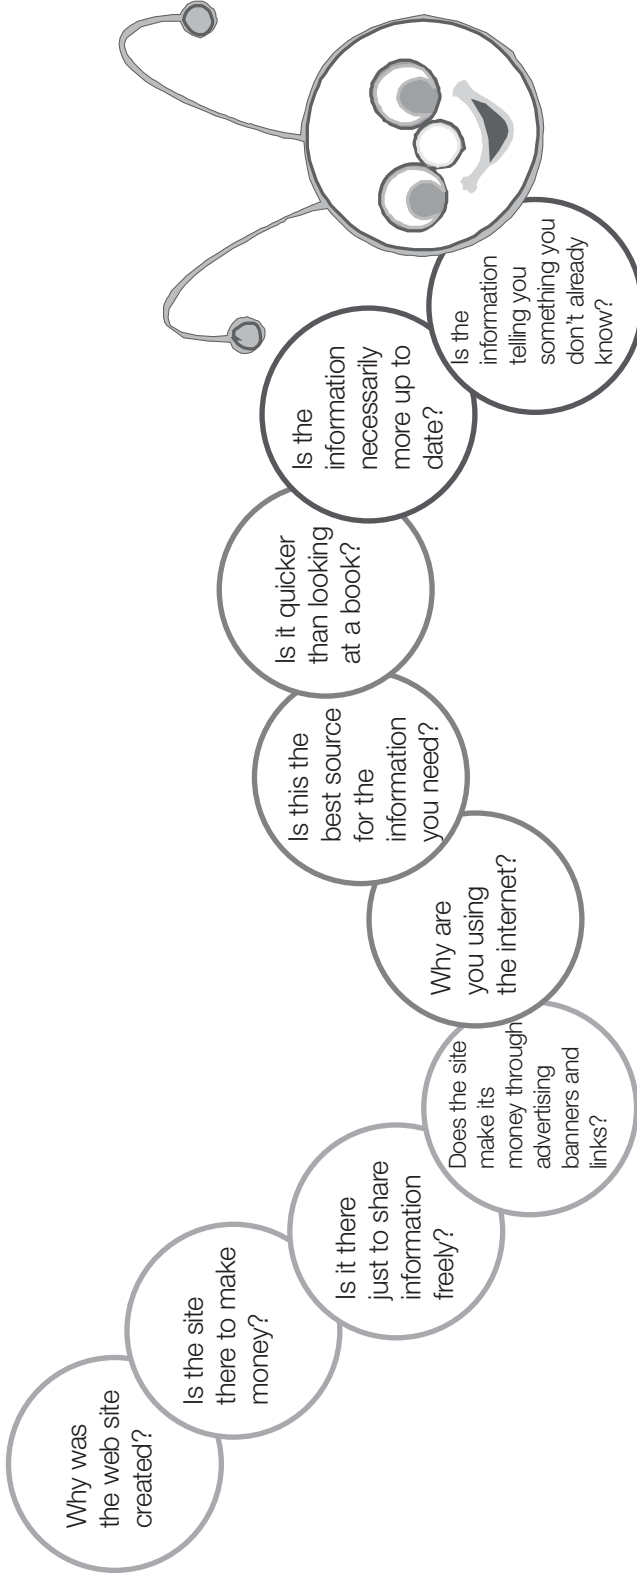

Pupil Worksheet

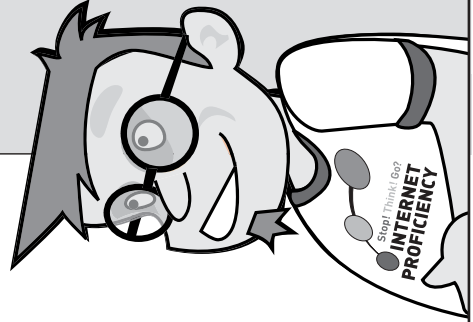

Pupil Worksheet

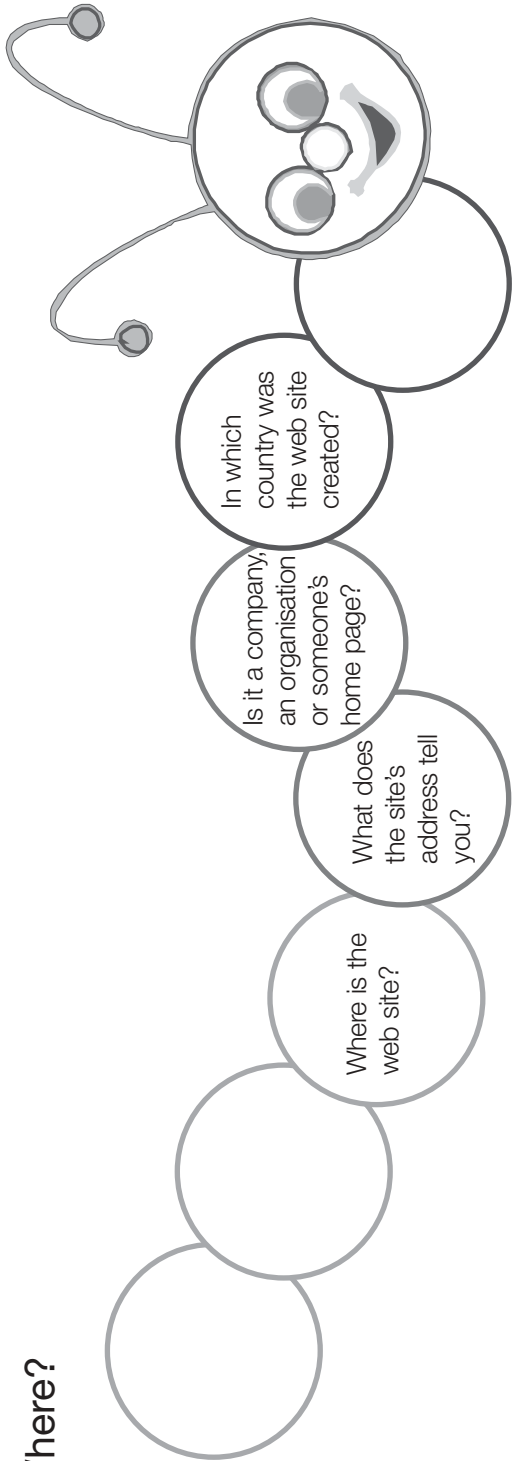

Why?

Pupil Worksheet

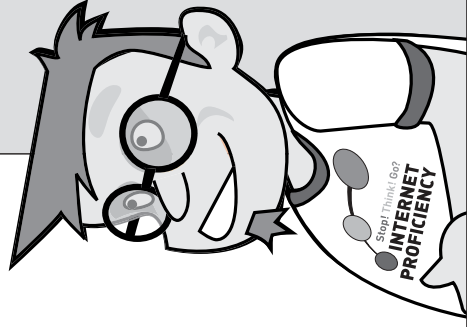

Where?

What?

Pupil Worksheet

When?

When was the information produced?

Does the information seem up to date?

Do the links on the page work?

Is there a date given?

How?

How did you find the web page?

Were you given the address by a trusted source?

Did you come across it by accident?

Did you find it through a search engine?

Evaluating web sites

Is it attractive and user-friendly?

Do the headings look relevant

Can you see anything that makes you uncomfortable?

Is the body text easy to read?

Are the links useful?

Is the info one-sided?

Does it have everything you need?

Does it stand up to close scrutiny?
